

Talk2U AAC

A 5-Day Enrichment Program for Teens & Tweens

Participants will work together, build friendships, and have fun through the power of communication.

August 12-16 2019

Talk2U is an AAC enrichment program for teens & tweens whose primary mode of communication is high-tech or low-tech Augmentative and Alternative Communication (AAC).

Talk2U participants' skill development will focus on:

- taking initiative
- interpersonal communication
- self-advocacy
- personal empowerment

while they make friends and have fun!

More information about the program & applications will be available soon.
