March 12, 2020 (7:00 pm)

Hello Cotting Families,

Over the past few hours many school districts, including in the town of Lexington, have made the decision to close their schools. Given these closures, and in consultation with our Medical Director, Cotting School will be closed beginning tomorrow, Friday, March 13th through Friday, March 27th. At that time, we will make a determination about the need to extend school closure. We recognize that closing school is disruptive to everyone in our community. However, it has become necessary for the safety of our staff and students, and is consistent with the course of action of many school districts.

Tomorrow we will be in touch with information about some resources you can use with students to help explain about the school closure. We will also provide some links to activities you can do at home on our website.

If you have any questions please don’t hesitate to reach out. I will have regular access to email during the next two weeks. I will share any new information or updates in the coming weeks.

Thank you for the many messages of support we have received from all of you over the past week. We hope this interruption to the school year will be as brief as possible.

Krista Macari
Chief Academic Officer
Cotting School
