

Campaign Update

FALL 2021 | FINAL NEWSLETTER

Phase I Completed: Campus Center Opens to Rave Reviews

To the Cotting Community:

Thank you for helping us reach a huge milestone in Cotting history with the completion of our new Campus Center! With a full-size gymnasium, a two-story, fully-accessible climbing wall, visual and theater arts classrooms, and two candlepin bowling lanes, this new facility is a one-of-a-kind resource for our students and alumni. We are beyond excited to be using the new space daily. The possibilities it offers our students are endless, many as yet unforeseen.

The capital campaign that made this building possible guarantees for generations to come that Cotting will remain a national leader in the education of students with special needs. We continue to epitomize the two concepts on which our co-founders, Drs. Bradford and Thorndike, based their school: innovation and excellence.

Our sincere thanks to the many generous donors listed here who helped us exceed our \$10 million goal and fulfill our dream. We are thrilled to be looking at a bright future that offers our students the best education possible.

- 2 candlepin bowling lanes
- 178 handholds on the climbing wall
- 25,000 square feet
- 690 generous donors
- \$10,192,000 raised
- Countless opportunities for students and alums!

Bridget Irish

Bridget Irish
President

Above: On a glorious October afternoon, Board of Trustees Chair Michael Durkin, retired President David Manzo, current President Bridget Irish, and Steering Committee Co-Chair David Cushing cut the ceremonial ribbon, formally opening Cotting's stunning new Campus Center.

Surprise Scoreboard Dedication

In mid-October, President Bridget Irish and former President Dave Manzo held an all-school assembly to formally unveil the scoreboard, given in honor of Coach Dan Cuddy and Program Assistant Edward Reed. Every day for the last 35 years, these two Falcons have demonstrated cooperation, respect, friendship, and teamwork to the whole community. Unbeknownst to Mr. Cuddy and Mr. Reed, their families gathered to surprise them for this recognition, accompanied by enthusiastic cheering and applause from students and staff.

Phase 2 Renovations in Progress

This summer, the teams finishing the Campus Center construction jumpstarted our Phase 2 renovations. They refreshed all of our upstairs classrooms and corridors with a coat of paint, new ceilings, lights, and flooring, rejuvenating the second floor in time for the start of school.

With that same “can do attitude,” our architects and contractor are strategizing with us to carry out improvements to every aspect of our school day – classrooms, medical facilities, OT/PT spaces, dedicated transition and library spaces and updated offices and a meeting room. This team will continue to help us transform all aspects of our program, ensuring our students have every opportunity to expand their independence. We anticipate completion of the renovations by December 2022.

Annual Giving

Annual Giving (January 1 - June 30, 2021)

Every year the annual fund supplements each student's education by helping to bridge the gap between tuition paid and the actual cost of a Cotting education. It serves as the bedrock beneath the operating budget. We are most grateful for our many faithful supporters who have given to the annual fund during the capital campaign. Your gifts enable our robust academic curriculum, specialized medical resources and the array of physical, occupational and communication therapies, all of which constitute the Cotting Difference. Thank you. We could not do this work without you.
